

Staying COVID-19 Secure in 2020/21

We are committed to maintaining a safe working and learning environment at High School of Dundee

We confirm we have complied with government guidance on managing the risk of COVID-19

We have carried out a COVID-19 risk assessment and shared the results with the people who work here. While Scotland is in Lockdown and schools closed, a further Risk Assessment has been completed with enhanced mitigations put in place for the children of key workers and the essential staff required to support the care hub.

We have cleaning, hand washing and hygiene procedures in line with guidance.

We have taken all reasonable steps to help people work from home.

We have taken all reasonable steps to maintain a 2-metre distance in the school.

Where people cannot be 2 metres apart, we have done everything practical to manage transmission risk.
